## Buy a Tile, Save the Pool!

Our pool is a gathering place for families and friends. This is one spot where we visit with those we love, reconnect with those we have not seen for a time, and get to know new friends and neighbors. It's a common bond that helps make our neighborhood a true community. As one of the last remaining pools of its kind in the city, it's also a unique part of Tucson's history.

The pool needs your help. It's over 50 years old and in need of major repair. Now you can help *and* become a permanent part of the pool. We are selling remembrance tiles that will be crafted with your personal inscription. For a donation of \$75.00, a beautiful tile will be installed in your name or in memory of a loved one, making you and your family a permanent part of the Highland Vista Pool. Tile designs will be on display at pool events all summer long. Or give us a call, we'll find a way to keep you informed. Be the first to become a unique part of Highland Vista's history -- and its future!

☆☆☆

Questions? Want to buy a tile? (Or several?) Contact any member of the tile fundraising committee: Teresa McEwen 519-8009 / Joni Stauch 323-8607 / Mandy Nagore 571-8667

Summer swim team practice starts Monday April 11<sup>th</sup>.  
Stop by the pool between 4-6:30 M-F for registration  
information or call Joni Stauch at 405-3896.

## Yes, Dying Grass Can be a *Good* Thing

The City will break ground in mid-May for the walking/running path around the park, and we just got temporary non-profit status under the city, which helps with fundraising. It is all happening!

Please be aware that some grass on the east and south edges of the park will start going brown in May and will remain brown until fall. The reason is that the city will be installing new irrigation in these areas, and our part of the cost is greatly reduced if we wait until fall. It's just part of the process of improving our much-loved park. ☆
